

## Are You a Medicare Patient or Caregiver?

Each year, Medicare plans may make changes to their coverage, benefits, and costs, so it is important to review your current coverage. **The deadline to change plans for the 2013 plan year is Dec. 7, 2012.**

### Note About Preferred Pharmacies

An increasing number of plans are advertising preferred pharmacies and may encourage you to have your prescriptions filled at these pharmacies.

- You can continue to get your prescriptions filled at our pharmacy even if we are not a preferred pharmacy in your plan.
- In many cases, you may be able to have your prescriptions filled with us for very little difference in cost.
- If you receive assistance with your prescription drug costs, you likely will be able to continue to receive the same reduced copays at our pharmacy.

Call or stop by the pharmacy if you have any questions.
