

Why Health Mart?

YOUR PHARMACY, YOUR WAY

Health Mart® helps bolster your independence by providing innovative tools, technologies and expertise to help your business thrive, so you can focus more on what matters most — caring for your community.

Backed by the strength of McKesson, being a part of the Health Mart franchise provides support for your pharmacy through:

- ✓ Business operations
- ✓ Financial strength
- ✓ Patient care
- ✓ Marketing

When you succeed, we succeed.

Health Mart's services, programs and expertise will help you practice at the top of your license with the flexibility to support the distinct needs of your community.

“

The most important thing as an independent pharmacist is that we have the flexibility to really do what's best for our patients.

We enjoy the flexibility of being independent, but I am a pharmacist by nature, not a businessperson. Health Mart and McKesson make the most of my independence by providing the tools and support that we need.

”

HEATHER FERRARESE
Owner and Pharmacist,
Bartle's Pharmacy
