

2025 Expo & CE

October 15 at AC Hotel, 125 Front Street, Worcester, MA

Learning Objectives

0009-9999-25-052-L04-P/T

A Cyber-Savvy Approach to HIPAA Compliance

Trent Theide

1. Describe essential cybersecurity performance goals for community pharmacies
2. Define HIPAA safeguards required under the Security Rule
3. Review components of a HIPAA security risk assessment

0009-9999-25-055-L03-P/T

Law: Federal Legislative Update

David Weissman

1. Describe proposed laws currently being considered at the federal level
2. Discuss how past activity in Congress may have implications for the current deliberations
3. Outline political landscape and predict likely next steps in the legislative process

0009-9999-25-056-L04-P/T

Incentivizing and Motivating Your Community-based Pharmacy Team

Ashley Moose

1. Identify opportunities to motivate and incentivize high performing pharmacies
2. Outline the benefits of employee incentive programs as it pertains to pharmacy performance and outcomes
3. Discuss types of incentive programs that could be used in pharmacy

0009-9999-25-058-L04-P/T

Reading the Fine Print: Third-Party Contract Guidance for Pharmacies

Ben Jolley

1. Identify key reimbursement terms and their corresponding financial impact on pharmacies
2. Differentiate among foundational reimbursement concepts such as AWP, MAC, and U&C in third-party contracts
3. Calculate reimbursement using AWP, MAC, U&C, and "lesser of" logic

0009-9999-25-057-L04 P

Overcoming Barriers to Providing Clinical Services: How to Stock Your Clinical Pantry

Joe Moose

1. Describe the concept of a "clinical pantry" and its application to pharmacy practice
2. Distinguish what additional processes ("pantry items") that support multiple clinical services
3. Analyze common barriers to clinical service implementation and strategies to overcome them
4. Personalize an action plan for stocking your clinical pantry to prepare for service expansion
