RE: **NPSC Continues Helping RI Pharmacies as
NPSC Sponsored Bill is Signed into Law**

NPSC is proud to announce that Rhode Island H5248 has been signed into law by Governor McKee this week. The law restricts audits of pharmacists conducted by insurers/PBMs and limits audits to one per year unless an identified problem exists or fraud or misrepresentation is suspected. We will continue our fight next year by picking up where we left off with NADAC. We already have plans to reintroduce the NADAC bill.

NPSC is gaining momentum with a regular group of pharmacies that are now active in the legislature and are fighting for independent pharmacy survival.
